## SCIENTIFIC PROGRAM

---

**8h00 | LEAVING FROM ESTeSL-IPL**

**9h00 | ARRIVAL AT II H&TRC BOOTCAMP 2020**

**9h30 | Presentation of H&TRC Media**  
MIGUEL BRITO

**ORAL COMMUNICATIONS I – MODERATOR ANA CATARINA MOREIRA**

**10h00 | Uncovering the role of microRNAs in the production of pro-inflammatory cytokines by  $\gamma\delta$  T cells**  
ANITA GOMES

**10h15 | GASMoC Method: a phenol-free technique to detect acid-fast bacilli**  
ANA RAMOS

**10h30 | Preliminary results of an animal model validation of chronic experimental colitis**  
INÊS SILVA

**10h45 | Waste-sorting industry: an (un)assessed occupational environment**  
CARLA VIEGAS

**11h00 | COFFEE-BREAK**

**ORAL COMMUNICATIONS II – MODERATOR MÁRIO PÁDUA**

**11h30 | Azole-resistance of Mucorales in the waste sorting industry**  
LILIANA CAETANO

**11h45 | Natural compounds potential for reactivation of  $\gamma$ -globin gene expression and fetal hemoglobin induction**  
EDNA RIBEIRO

**12h00 | Sickle cell anemia and fetal hemoglobin: genetic modifiers in an Angolan children cohort**  
MIGUEL BRITO

**12h15 | Knowledge, beliefs and information about medicines**  
GRAÇA ANDRADE

**12h30 | Characterization of a novel 3D-polymeric scaffold as a co-delivery system**  
MIGUEL ZEGRE

**13h00 | H&TRC LUNCH**

**14h30 | WORKSHOP "How to build a scientific project: hands-on international grants"**  
MARINA SILVA

**16h00 | COFFEE-BREAK**

**16h30 | SEMINAR "To  $p$  or not to  $p$ "**  
CARINA SILVA

**18h00 | LEAVING FROM II H&TRC BOOTCAMP 2020**

**19h00 | ARRIVAL AT ESTeSL-IPL**
